Dear FORM 5 Parents/Guardians

### RE: PARENTS - CAMBRIDGE EXAMINATIONS:

The School has received information from Cambridge International Examinations regarding the October Examinations. At present the IGCSE are going ahead as planned.

However, there is the possibility that due to the COVID 19 pandemic worldwide, that these examinations could be cancelled; If they are cancelled then IGCSE students **who have registered** for the examination will still receive a grade from Cambridge, based on work they have already done at school.

If the examinations go ahead but are disrupted and not completed due a lockdown then students may have to re-sit the examination in June 2021.

Registration with Cambridge is now being completed and if you have any queries please contact Mrs Kimotho before 10 August 2020.

As soon as registration is completed then Mrs Kimotho will WhatsApp a copy of the Statement of Entry for each candidate. Please inform Mrs Kimotho immediately if corrections are needed.

We will keep you updated to any further developments.
