

19 March 2020

**NEWSLETTER**

Dear Secondary School Parents/ Guardians,

As many of you will have heard, the Botswana Government has directed that “all institutions of learning be closed with effect from the 23<sup>rd</sup> March, 2020 [Monday] until further notice.”

This means that tomorrow, Friday March 20<sup>th</sup> 2020 will be our last day of classes for the first term. End of term examinations will continue when the schools re-open and parents will be advised when to collect student progress reports for term 1, 2020.

Staff will continue coming to school and study packs will be prepared for students so that they can continue studying at home.

Form 5 and Form 2 Parents should collect study packs for their children on Tuesday 24 March 2020 from 10am to 12pm from the Secondary classrooms. These should be returned on Tuesday 31 March 2020 when new study packs will be issued.

Form 1, 2, 3, 4 and 5 Parents should collect study packs for their children on Tuesday 31 March or Wednesday 1 April 2020 from 10am to 12pm from the Secondary classrooms. These should be returned on Thursday 07 May 2020.

Those study packs not collected during the above times can be collected from the Reception Desk.

Please assist your child to follow Government guidelines regarding hand hygiene and social distancing, and monitor your child’s assigned work.

These are difficult times but I trust that we will work together to get through.

Yours sincerely

Principal
