NEWSLETTER

Dear Parents/ Guardians,

As many of you will have heard, the Botswana Government has directed that “all institutions of learning be closed with effect from the 23rd March, 2020 [Monday] until further notice.”

This means that tomorrow, Friday March 20th 2020 will be our last day of classes for the first term.

Staff will continue coming to school and work packs will be prepared for students so that they can continue studying at home until the scheduled end of term 1 (8 April 2020).

Where possible (especially exam classes) these packs will be sent with students tomorrow, otherwise parents will be informed when to come into school to collect the work packs.

Please assist your child to follow Government guidelines regarding hand hygiene and social distancing, and monitor your child’s assigned work.

These are difficult times but I trust that we will work together to get through.

Yours sincerely

Principal
