

18 September 2020

Dear Parents

As advised by the Ministry Covid-19 team, I wish to inform you that there has been a confirmed case of Covid-19 for one of our support staff. Contact tracing is ongoing by the pertinent authorities.

Support staff members do not interact with the students and there will be no effect on the learners or the teachers.

We are working closely with the Covid-19 team from the Ministry of Health and Wellness and following their guidelines strictly. We have been advised by them that there is no need to close the School. The team is in constant touch with us and we will update you of any further relevant developments.

I can assure you that we have sound Ministry approved Covid-19 protocols in place, in terms of registration upon entry to the School, disinfecting of classrooms, sanitizing and washing of hands and the wearing of masks, which is strictly enforced. I urge you to stay calm during this time as we focus on the safety and well-being of all at the School.

I would like to remind you that the long weekend commences on Wednesday, 30 September 2020 and School will resume on Monday, 5 October 2020. IGCSE examinations for the Form 5 classes will carry on over the long weekend, as per the schedule from Cambridge.

Please stay safe and be well.

Yours sincerely

AS Jones
Principal
